- Building & Construction
- Farming & Agriculture
- Mining

Stay protected and comfortable with the Hydroguard Safety Gumboots, designed for tough jobs and challenging conditions. Featuring a steel toe for maximum protection and a penetration-resistant sole, these boots are built to keep you safe. The waterproof PVC upper ensures durability, while the oil-resistant, anti-static PVC outsole provides reliable grip and performance. With SRA slip resistance and two trim height options, the Hydroguard Safety Gumboots offer all-day support and versatility for any work environment.
